

# El Camino Water Poloists Face Metro Conference

Fresh from a 33-5 victory over Pierce College, El Camino College water poloists faced Metropolitan Conference competition against Cerritos College following action in the USC invitational tourney Tuesday and Wednesday.

The triumph over the Pierce Brahms came in the Warriors' first outing of the season.

Coach Rudy Kroon's aquatic squad, consisting of a core of veterans and two All-CIF players from El Segundo's team of last year, was virtually un-stoppable, as it rolled up a 28-point margin.

Losing four and winning six, the Warriors finished third in the Metropolitan Conference last season. With a high scoring attack, it appears they will improve their record in conference action this year.

Following the USC tournament, the Warrior squad will meet Cerritos, the first Metro foe, today in the ECC pools.

Cerritos and Long Beach are selected by Coach Kroon as two of the toughest opponents in the conference.

ence. "Long Beach and Cerritos are definitely the teams to beat. Cerritos has a new coach, so you can bet they will have some surprises," Kroon commented.

In addition to regularly scheduled conference tilts, Kroon has lined up some rugged practice matches for the Tribe finmen.

## Twist and Turn Riders to Be In Steeplechase

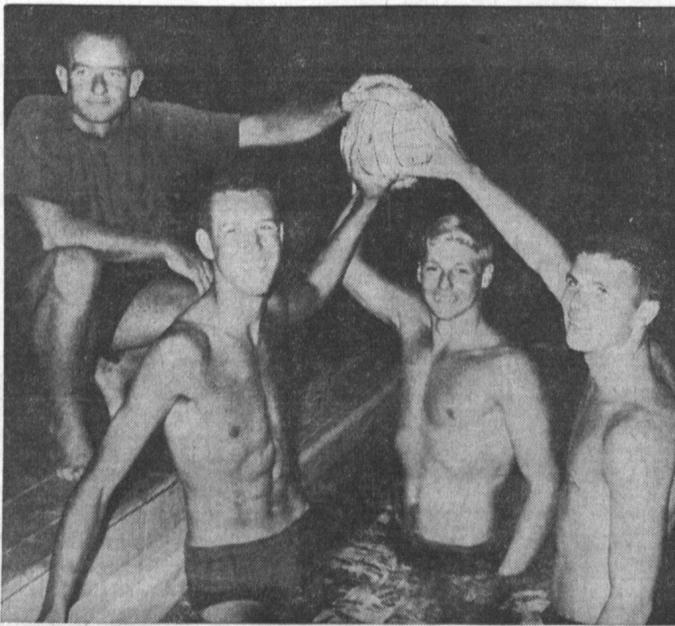

Dick Mann, America's No. 1 motorcycle racer, will lead a record field of more than 150 twist and turn riders over th e jumps at Ascot Park, Gardena, Sunday night in an AMA-stationed steeplechase program.

Racing, directed by J. C. Agajanian, starts at 8:15 p.m., qualifying laps at 7. It's the final night of steeplechase of the year at the famed Gardena 7-turn course with its hair-raising jump on every lap.

Mann faces virtually the same field he defeated two weeks ago at Ascot in the 50-lap TT national when he sewed up his first Grand National championship with 114 points.

Bakersfield is sending its mighty triumvirate of Sid Payne, Clark White and Dave Palmer with Payne and White out for a measure of revenge on Palmer. The latter rider, a first year expert, finished second to Mann in the Ascot nationals for the big surprise of the race.

Other expert class leaders include Skip Van Leeuwen and Dick Hammer of Lakewood, Jack Simmons of Artesia and Dave Bostrom of Daly City, a near neighbor of Mann, who hails from the San Francisco bay area community of Pinole.

WARRIOR WATERDOGS look optimistically toward the coming water polo season, scheduled to open today (Friday) against Cerritos in the El Camino College pool. With Coach Rudy Kroon are (l-r) Jim Westerveld, Ken Benfield and Bill Corcoran.

## Landmark Bridge Center To Start Classes Monday

The Landmark Bridge Center recently initiated its new get-acquainted offer to residents of the Torrance area.

A response of 78 interested persons attended the introductory lessons at Bridge Center. More than 50 percent of those present indicated a desire to join one of the three new classes beginning at 7:30 p.m. Monday, Oct. 7, Thursday, Oct. 10, or Tuesday, Oct. 8, at 12:30.

Many stated that they would be unable to attend until the second week and a comprehensive review was promised.

Bob Christie, life master in the American Contract Bridge League, announced to the prospective students that the new course has been redesigned around a revolutionary new system of mnemonics (memory aids) which reduce the student's memory work about 75 per cent.

Although the new course is easier to learn, it still teaches the standard 4-3-2-1 Goren point count method.

The new course is designed for eight weeks with half-hour lecture and 1½ hours of supervised play. "You'll be playing bridge in just 30 minutes after the course starts," it was stated.

A copy of Christie's new book, "Simplified Bridge," will be supplied those students registering for the entire course.

A ticket will be issued to each student which will allow him to make up lessons missed due to illness.

A further innovation in this course was revealed by Christie in that students registering now will be able to attend free the first four lectures of the next course, thereby obtaining a complete review and have the opportunity of attending 12 lectures for the price of 8.

For reservations to insure space in any of the courses call FR 8-7909 or drop in at Landmark Bridge Center, 4128 Pacific Coast Hwy.

## Golf Party Held For 80 Children By Kiwanis Club

Eighty children from Torrance, Hawthorne and neighboring cities were guests of the El Camino Kiwanis Club at a golf party at Gardena Golf Rancho Saturday.

Guests at the fourth annual golf party given by the service club were members of the Southwest Assn. for the Mentally Retarded.

Following the appearance of Bumbo the Clown and his merry-go-round truck, lunch was served, Mrs. Henry Larson was cook.

A golf tournament highlighted the afternoon activities. Trophies reading "Champs, 1963" were presented to each of the participants by Vincent Van Wormer, Kiwanis president.

Program coordinator was Chester Wolfe, and party chairman was Ray Noel.

The Southwest Association, with a membership nearing 200 families in the Centinela-South Bay area, provides pre-school classes, recreation and activity programs and social development functions for retarded children and adults.

Active since 1959, the group hopes soon to have its own center and sheltered workshop, toward which goal funds are now being raised.

Information about SARC activities and programs may be obtained by writing to the Southwest Association for Retarded Children, Inc., P.O. Box 494, Torrance, or by calling Mrs. Dean Thurman, OS 9-6233.

Speakers are available for organizations interested in learning more about the problems of the mentally retarded.

## Harbor Faces Palomar After San Diego Loss

Harbor College's Seahawks, hoping for better things in a rebuilding program, lost their first practice game of the season to San Diego City College 27-7 Saturday night on the Harbor field.

This Saturday night things should be a little easier for the Seahawks when they meet a smaller Palomar team at Palomar. So far Palomar has defeated Ventura 20-14 and College of the Desert 54-0.

The speed of San Diego halfbacks Richard McClelland and Henry Daniels, plus the sharp passing quarterback Nate Shaw and the catching of the ends, Walt Blackledge and Gary Dungan, put the Knights in the driver's seat.

The Seahawks added to their own troubles by fumbling six times to stall important drives.

San Diego returned the opening kickoff to their own 42 yard line and then mounted a drive that scored a touchdown as Daniels ran in from the six yard line.

Harbor retaliated as Ray Jones ended the Harbor drive with a 10 yard scamper for a score. Although Harbor controlled play most

if the second half, a fumble stopped one drive on the San Diego 30 and another fumble gave San Diego the ball on the Harbor 17. Casey scored from the two to make the score San Diego 14, Harbor 7 at the half.

It was the same story in the second half as San Diego blunted Harbor drives and staged their own marches featuring short passes and pitch-outs.

Bright spots for Harbor were the passing of Ray Jones and John Blakemore to give Harbor two capable quarterbacks. Steve Cox looked good on the receiving end of several passes. Charles Shaw showed speed at fullback, as did Paul Chatman at half. Defensively Mike Ferragamo and John Bzajevich were responsible for many tackles.

Harbor cross country runners finished eighth in the Long Beach Invitational Cross Country meet at Long Beach State Saturday. Team results were: Pierce, 44; Santa Ana, 78; Cerritos, 87; Grtssmont, 94; El Camino, 100; San Diego, 112; East L.A., 167; Harbor, 245; Antelope Valley, 282.

## Junior Blind Foundation Needs Volunteer Drivers

An urgent appeal for help has just been issued by the Foundation for the Junior Blind for volunteers with cars who are willing to give a few hours of their time to drive blind children to the Foundation's headquarters.

"We have an excellent program of recreational classes to offer these children... classes in woodshop, poise and personal grooming, ham radio, cooking, judo, arts and crafts, and other activities designed to widen the scope of these children's lives. An extremely capable teaching staff is willing and waiting to instruct these children, but without volunteers to drive them, we have no way of getting these youngsters to our Foundation. Consequently, they will be left at home in a world of darkness, instead of being able to study and play and grow in self-confidence and ability along with other children," he added.

Anyone able to give a few hours if his time, anytime, is asked to please call at the Foundation for the Junior Blind, 4005 Wilshire Blvd., or phone DUnkirk 5-4411, collect.

## Bible Guide for Sunday

"Judge not according to the appearance, but judge righteous judgment." This passage from John (7:24) will be the Golden Text at all Christian Science churches this Sunday.

Subject of the Bible lesson is "Unreality." Related passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include these lines: "All the evidence of physical sense and all the knowledge obtained from physical sense must yield to Science, to the immortal truth of all things" (p. 493).

## ODDLY ENOUGH by Waldman

Steel pipe plays a big part in the leisure activities of Americans. Take the kids to a playground jungle gym—or set one up for them in the backyard. What's it made of? Butt-welded steel pipe!

Off to a winter resort... and steel pipe construction guarantees the safety of ski lifts. A steel pipe T-bar pulls you to the top of a ski run. A special refrigerant circulating through steel pipes keeps an artificial ice skating rink open all year round.

Even if you prefer spectator to participating sports, you'll be running into butt-welded steel pipe. Ball parks use it for backstops, protective fencing, hand rails.

PLAYING MINIATURE GOLF are children affiliated with the Southwest Assn. for Retarded Children who were guests of the fourth annual golf party sponsored by the El Camino Kiwanis Club Saturday at the Gardena Golf Rancho. Trophies reading "Champs, 1963," were presented to each of the participants.
